November 2009 NEWSLETTER

November 21st Meeting

What a cracker of an evening...full of surprises for us all!!

Especially for Miles !!

We were expecting a rather small turnout as our 'Batman and Robin ensemble leaders ie Ray Butcher and Denis Stockton were pre-occupied with other matters and couldn't attend. This was a pity as we had a really large turnout of members!! We even managed to drown out the usual Saturday night accompaniment from Bromleys 'Boys in Blue', along with the choral performance in the Church next door (whose members were probably wondering what in God's name was happening in the room next door!!)

Fortunately for us, Christina Dabrowa and Miles Roberts took up the cudgels and did an absolute sterling job!

We made a pretty bold stab at Mozarts' 'Eine Kleine Nachtmusik' which was recognisable after a fashion even though we ran out of sheet music parts.

Mr Scarlatti's piece was put on hold as we didn't have enough Music parts (Sorry Ray). However the good news is that Shirley has successfully purchased the music on behalf

of the BGS and we will be distributing the part to all members ASAP- or at least those with an email account!

After a coffee break it was time for ensembles!!

Performances included

- Glissaccatura (William Baulch) performed by Marion Davies
- Pavan (Gaspar Sanz) performed by Dave Hampton
- Prelude and Allegro (De Murcia) and Le Centaur (David Cottam) performed by Trevor Pike
- Dream- (Everly Brothers) performed by Derek Carter
- Leccion24 (Jose Ferrer) and Lammas Dance (David Cottam) performed by Jenny Wormald
- Berceuse (Brouwer) performed by John Mann
- (Rondo (Purcell) duet performed by Carol Whinnom and Georgina
- Senhorinha (Guinga Escoba) , Grossiennes (Satie) , Sonata 483 (Scarlatti) and Warriors Harp (Brouwer) performed by Rob Sellery
- Catalan Folk Songs -Rossignol ,Plany ,La Nit De Nadal performed by Miles Roberts

Vince's sound pixies were on duty and managed to catch members performances. You will have to visit the blog site to listen (<http://bromleyguitarsociety.blogspot.com>).

Special thanks to Christine Dabrowa and Miles Roberts for their assistance with the ensembles.

Thanks Vince for the splendid sounds page as well. And to Shirley for organising the purchase of the Scarlatti Sonata on behalf of the BGS. and to Trevor Pike for his support on the refreshment front!!

And so to Christmas...

After much discussion we have decided on an informal meeting for the Christmas program on December 12th . *We want to encourage all members to bring along and play at least ONE Christmas carol as part of a solo performance, along with some nibbles and some drinks.*

Simplicity is the best approach!! See you at the next Meeting
